Sir:

In response to the Office Action dated February 28, 2003, please amend the above-identified application as follows:

IN THE CLAIMS:

Please enter the following amended claims:

1. (Amended) A portable slave device which is connected through a predetermined coupling device to a host device comprising a file system and an application program, the slave device comprising:

a media driver for performing connection to the file system of the host device via the predetermined coupling device according to a predetermined protocol; and
